

# THIRDS SCORE FOURTEEN

## 1st XI 1 — REIGATE PRIORY 1

**OLD CHEYNEANS** played some good football at times in this friendly game at Roehampton, but soon found themselves a goal down.

Exchanges became robust after the interval and Brown equalised from a penalty kick to earn the home side a creditable draw.

## 2nd XI 2 — WEMBLEY 1

**BOTH** sides played delightful football with Cheyneys having the edge both in defence and attack. By half time one own goal and another by R. Brown gave Cheyneys a comfortable lead.

Wembley reduced arrears from a defensive slip but Cheyneys ran out worthy winners when Brown notched his second goal.

## 3rd XI 14

### OLD QUINTINIANS RES. 1

**ALTHOUGH** playing one short against a depleted Quintinians Reserves, Cheyneys third team went in for a goal rush and had built up a comfortable 5—1 lead by half time.

The tired Quins. could not cope in the second half and Cheyneys added a further nine goals. New boy Ray Martin showed great promise in notching seven.

## TRAFFIC JAM DELAYED THE GOALS

**T**RAFFIC jams forced Cheyneans' third team to take the field with only eight men, and Sudbury soon settled into a three-goal lead in this A.F.A. Minor Cup tie. However, as soon as the late-comers took their places, the position was reversed, and Cheyneans went on to win, 9-5.

Cheynean's first goal was literally a gift. A Sudbury defender made a back pass which eluded the goalkeeper. A few minutes later, Haynes further reduced the arrears with a fine goal. Sudbury settled down again and pressed hard for the remainder of the first half and were rewarded with a grand goal to make the score 4-2 at the interval.

On the resumption, Cheyneans showed their qualities, but it was some time before Duggan put the Old Boys within striking distance. Cheyneans went all out for the equaliser and with five minutes to go a long throw by Forbes was cleverly flicked into the net by West.

With the scores level at the final whistle, extra time was played and the tired Sudbury side could not stop Cheyneans from adding another five.

Haynes scored four goals in extra time, bringing his total to five.

against their enthusiastic opponents.

However, they managed to equalise when Clipson netted following a corner-kick by Potter.

Meadonians continued to have the better of the exchanges, and regained the lead after a period of heavy pressure. Cheyneans equalised again after the interval when Brown scored from a penalty.

Meadonians deserved the winner, scored just before the final whistle.

Duggan but Meadonians quickly equalised with a "soft" goal.

Meadonians went on piling up the pressure and added two more excellent goals to start the second half with a comfortable 3-1 lead. Cheyneans pressed hard in the second half and Duggan reduced the arrears with a close range shot.

Meadonians again increased their lead with a beautiful goal, and Cheyneans could only reduce the arrears through Duggan.

# Poor finishing— and Cheyneans pay the penalty

## BELGRAVE BOYS WALK AWAY WITH RACE

CHEYNEANS paid the penalty of poor finishing in their league match against West Hamians and although playing well in mid field were beaten by 2-0. The half time score of 0-0 was a fair reflection of play.

Turning point came when West Hamians scored from a penalty award and West Hamians added a second to gain two well deserved points.

### RESERVES

Cheyneans' reserves were always behind in their ding-dong Cup battle against Edmontonians. A goal down at half-time, Cheyneans fought back to level the score by

## WOODWORK SAVES THE GOALS

IN their Chiswick League Premier Division match at Duke's Meadows on Saturday Lobarian defeated Masonian Athletic by two goals to nil.

Lobarians showed improved form in the opening half, and moving the ball quickly, were always menacing the Masonian goal.

Twice the woodwork repelled shots, and a lovely drive by Haggerty just skimmed the bar with the 'keeper beaten. Jolley headed in Lobarian's first goal from a well taken corner and Blacklock nipped in smartly to intercept and net the second.

LOBARIAN RESERVES went down by 3 goals to 2, against Green and London at Richmond. Downs and Croxall scored for Lobarian.

2-2 at 90 minutes and went into extra time.

Unfortunately, Cheyneans were reduced by ten men when left-half Chick suffered a broken nose, and the exciting game ended in a narrow 5-4 victory to Edmontonians.

Cheyneans' scorers were Brown, Core, Borrett and Riddle.

### 3rd XI

The third team narrowly lost a league match to Meadonians' reserves, and despite the scrappy game there was plenty of excitement.

Cheyneans went ahead within two minutes through Duggan, but Meadonians quickly equalised. Meadonians then piled on the pressure and added two more excellent goals to change over with a comfortable 3-1 lead.

Cheyneans pressed hard for most of the second half, and Duggan reduced arrears with a close-range goal, but going out for the equaliser were caught napping in midfield, and Meadonians broke away to score the best goal of the game.

Cheyneans quickly hit back when Duggan completed his hat trick, but Meadonians held out to earn both points.

### 4th XI

Cheyneans completed a dismal day when the fourth team lost their A.F.A. Cup tie against Crouch End Vampires.

Crouch End took the lead just before the interval, but this was soon equalised on the turn-round by left-half Lee.

Cheyneans went into the lead with a typical goal by Bullock, but Crouch End immediately equalised from the kick-off. The winner came near the end, when a speculative header scraped inside the Cheyneans' goal.

BELGRAVES walkers opened their winter season with a convincing win in the Highgate Harriers' open seven-mile event at Parliament Hill in which 40 teams and 220 individuals took part.

International George Williams was second, 24sec down on the winner, Alan Thompson. Long distance specialist Ray Middleton was fifth.

At Ponders End, in a youths' by 2½-mile road relay, the club team of Ken Redwood, Dave Cocks, Jack Hampshire and Alan Morrison finished in third place behind Luton and Surrey A.C.

Tragedy befell the senior Roa Relay team at Chelmsford in a 6 x 3¼-mile race in which 5 teams from London and East Anglia competed.

Eric Gebbett, Clive Shipper, Ron Linstead, Bill Kerr and Cyril Forey all ran excellently to put the club in second place.

### SUBSTITUTE

Pat Newell, however, who was scheduled to do the last leg, failed to turn up and his place was taken by Charlie Dabbs, who is still suffering from recent illness. Despite a gallant struggle Dabbs yielded three places.

The five-mile cross-country race at Wimbledon saw the tall Alan Black pushed to the limit when he just managed to beat marathon specialist Barry Sawyer, who had already run ten miles in training that morning and been out 14 times in the previous six days.

Third was former Oxford Blue Don Maclean, and 18-year-old Tony Fairclough filled seventh place and took first place in the handicap.

# SPEED AND SKILL WINS FOR OLD C's

## OLD CHEYNEANS 5 — OLD MERCERS 0

CHEYNEANS' superior speed and skill gave Mercers little chance in this friendly at Roehampton.

Mercers started strongly but within ten minutes Kingshott moved inside to open the scoring with a strong drive from a pass by Evans.

Cheyneans really got on top now and Samvint added a second with a clever overhead kick from close range. With Cheyneans defenders joining in the attack, Mercers occasional breakaways looked dangerous but centre half Brown and goalkeeper Stroud were very competent.

Mercers continued to strive hard in the second half but centre forward Barlow scored twice to sink completely any Mercer's hopes.

Before the end Stroud completed the scoring from a penalty kick.

Cheyneans Reserves did well to hold lively Meadonians to one goal at half time. However, a second half injury to wing half O'Keefe disorganised their defence.

Meadonians' speedy, thrustful forwards took advantage and gradually got on top to add four in the last twenty minutes.

**CHEYNEANS'** third eleven were in trouble ten minutes after the start when centre-forward **Duggan** was taken off after breaking a leg. Their opponents, Old Ealoniens Reserves went into a goal lead after this mishap, but with ten men Cheyneans fought back to win 4-2.

Ealoniens used the extra man

to good advantage and soon took the lead, but Cheyneans fought back and equalised when a through pass from **Laing** was swept into the net by winger **Tyrrell**.

Soon after the interval Ealoniens attacked and took the lead. Against the run of play Cheyneans equalised through **Tyrrell** who scored with a fine solo effort. Ealoniens faltered at this stage, and Cheyneans went ahead through a long drive from **Woodcock**. **Tyrrell** completed his hat-trick soon after.

Cheyneans' ten men were further depleted when skipper **Laing** was carried unconscious from the field and left-back **Davidson** finished on the touchline. But Cheyneans' eight survived to earn a good victory.

## **DISAPPOINTED**

Cheyneans Res. were disappointed in an Old Boys' league game when they drew 4-4 with Old Kingsburians Res. after being 3-1 ahead.

After the interval, Cheyneans were leading 3-1, but allowed Kingsbury to regain the initiative. Taking advantage of an indecisive defence, Kingsbury equalised in the closing minutes and then grabbed a 4-3 lead, only to lose a point when Cheyneans scored the equaliser.

Cheyneans' goals came from West (2), **Borrett** and **Forbes**.
